Arab Diplomat Doubts Nixon Plot

SAN FRANCISCO, Nov. 17 (UPI)—George Tomeh, Syria's Ambassador to the United Nations, Saturday called the alleged plot of Yemeni Arabs to assassinate President-elect Richard Nixon a "hoax."

He told a news conference, "That's nonsense. That whole Nixon affair is a hoax. It's nonsense. I deal in realities." New York police have arrested a father and his two sons in connection with the alleged plot.
